To Parents / Guardians of St. David School Students,

Welcome to the start the 2012-13 school year at St. David Catholic School! We are extremely excited about returning for another great year and look forward to working with each of you. This year we are very fortunate to welcome Miss Megan Murphy as our new vice principal, and I count myself very lucky to return as our school principal.

Our school custodians have once again worked hard over the summer to prepare St. David for the start of the new school year. The teachers and support staff have also been enthusiastically preparing for a terrific start to the new year.

We are honored that you have entrusted your child’s education to us. We will make every effort to help your child achieve academically, socially, and spiritually this year. It is our goal to create an enriching learning environment that engages all students as spirited learners.

As I think about our school, and all the students, families, teachers and community members who make up our community, I can’t help but think that this is a wonderful place to be learning.

In the spirit of partnership,

Dawn Wemigwans  
Principal
